

MADISON DRAGON

GRAPHIC DESIGNER

OBJECTIVE

Creative and organized graphic designer seeking new opportunities. Experienced in leading teams, finding creative solutions to problems, and utilizing technology to its fullest potential. Currently attending FIT and looking to grow as a design professional.

WORK EXPERIENCE

COMPUTER TECHNICIAN, GRAPHIC ARTIST

Scottsdale College | Scottsdale, Arizona

2018-2022

Assisting faculty and students with troubleshooting computer hardware and software issues on Windows, Mac, and mobile platforms.

- Aiding the IT department with the integration of new technologies in the department's labs and classrooms.
- Correcting any and all issues that occur in the labs to which I am currently assigned.
- Developing graphics for print and digital signage, banners, posters, and fliers.

VISUAL PRESENTATION PROGRAMMER, PRODUCTION COORDINATOR

International Model and Talent Association | New York & LA

2013-2022

Leading a team of 10+ employees in proper photo presentation organization, editing and compilation. Coordinating major runway events.

- Programming, maintaining, and implementing Office Suite macros to aid in presentation production.
- Utilizing Proper Adobe Suite programs to edit or enhance model and actor competition photos and composite cards.
- Preparing and designing awards night graphics in coordination with company guidelines.

ASSISTANT MANAGER, DESIGNER

Escape the Room AZ | Scottsdale, Arizona

2015-2017

Implemented workflow procedures and supervised employees through day-to-day operations. Provided customer support during escalated situations. Assisted in the creation and implementation of new room puzzles and layouts.

- Experimented with and created new puzzles and room aesthetics to keep customers and clients engaged and encourage return visits.
- Streamlined daily report system by writing new excel formulas to calculate ratios and demographic data.
- Created daily excel documents regarding income and productivity.
- Hired and trained new employees to ensure proper job performance.

ADDITIONAL EXPERIENCE

- Reister, Casino Arizona | Rendered and Printed 3D clothing accessories
- Scottsdale Museum of Contemporary Art | Showcased 3 plaster sculptures in the "Young at Art" gallery.
- Encore Entertainment | Oversized set design.
